PRES RELEASE

Springwood Robotics' Team preparing for the BEST Robotics Competition October 5, 2015

The robotics team of Springwood School in Lanett is preparing for their annual BEST Robotics “War Eagle” competition on Saturday, October 10 at the Auburn University Student Activity Center. The team is made up of 38 students from 7th to 12th grades that have the common goal of designing an “award winning” robot and marketing presentation. The SHS Tech Robotics team offers an opportunity for students to expand their knowledge in science, technology, engineering, math, as well as their business skills. The robotics team encourages anyone interested in these areas of study or anyone looking for an opportunity to be engaged with local schools to come between 11:00 and 4:00 EST on Saturday to view this event. Go Wildcats!
