

Springwood School 2012 -13 Annual Fund Campaign

What is the Springwood School 2012 -13 Annual Fund Campaign?

The Springwood Annual Fund is a giving campaign that will begin on October 19, 2012 and conclude on June 30, 2013. The cost of educating each student at Springwood School exceeds tuition every year. This year, gifts to the Annual Fund will help support the programs that make Springwood School the great school that it is. The education of each student will be financed by both tuition and contributions to the Annual Fund. It takes tuition and charitable donations to provide the distinctive qualities that Springwood School offers including small classes and individual attention, exemplary teachers, exceptional academics, fine arts, and athletic programs, state-of-the-art technology and a nurturing Christian environment for our children.

What is the Focus of the Springwood School Annual Fund Campaign?

Participation is the focus of the Springwood 2012-13 Annual Fund Campaign. Participation is the key to a successful Annual Fund. We seek 100% participation because such enthusiastic, broad-based support represents a commitment to the goals and fiscal realities of the school. Also, increased participation in giving by the Springwood community, including our board, faculty/staff, parents, and alumni helps pave the way for future support from outside corporations and foundations.

Can my donation make a difference?

Every gift is welcome, appreciated, and makes a difference, regardless of the amount. Each gift is important and will play a crucial role in meeting our goal of 100% participation. For some families the gift could be as small as \$10. For others it could be hundreds or thousands of dollars. Giving comes from the heart. Every gift counts!

Where will the dollars go?

Gifts to the Annual Fund will supplement Springwood School's operating budget and provide resources for the school's immediate needs. Springwood will supplement funding for our educational and extracurricular programs with contributions generated from the 2012-13 Annual Fund Campaign. Springwood School is a 501 (c) 3 non-profit organization. Therefore gifts to the Springwood Annual Fund are tax deductible.
