Springwood Robotics Team participates in the South's BEST Robotics Competition

Springwood Robotics Team

The Springwood Robotics Team participated in the South's BEST Robotics Competition on December 8, 2013. The top 56 teams from the southeast United States competed in five categories - Robot Performance, Team Exhibit, Team Spirit and Sportsmanship, Marketing presentation, and Engineering Notebook.

Mrs. Karlia Willis, Springwood School Physics Teacher and Robotics Team Sponsor said "Our team placed in the semi-final round of the Robot Performance, 3rd place for Marketing Team Presentation and made the Wild Card Robot Round due to an outstanding Engineering Notebook. The Robotics Team had a very successful year with everyone working hard to make the team a success."
