Springwood Robotics Team Awards at BEST Competition

The Springwood Robotics team did very well last weekend at the War Eagle BEST (Boosting Engineering & Technology) competition on the campus of Auburn University. Below is a list of their accomplishments.

- 4th Robot Finalists
- 3rd Spirit and Sportsmanship
- 3rd Booth Exhibit and Interview
- 1st Project Engineering Notebook
- 3rd BEST Award

The team also was selected to advance to the South's BEST competition to be held in early December also at Auburn University. This competition will feature 56 teams from 18 BEST hubs in 6 states.

Another outstanding recognition was garnered by Mrs. Karlia Willis, Springwood Physics Teacher and Robotics Team Sponsor. For her commitment to her students and to the BEST program, she was selected as the War Eagle BEST TEACHER OF THE YEAR.
