## **12<sup>th</sup> Grade CP English**

The importance of reading substantive literature as a way of improving reading skills cannot be overemphasized. The following will both entertain and provoke thought while keeping your reading skills sharp over the summer. We will have a reading quiz over this material soon after resuming classes in August.

Each student is advised to keep a reading log which notes significant events, revealing statements, clues about characterization, etc. Log such information by page number; this will facilitate references to the text in both classroom discussion and in writing. The log will also be a valuable source of review in preparation for reading quizzes.

*Oliver Twist*

Charles Dickens

*Lord of the Flies*

William Golding

*The Odyssey*
